

FOR IMMEDIATE RELEASE

INTERLINK ELECTRONICS, INC. UNVEILS NEW VERSION OF BEST-SELLING PRESENTATION REMOTE CONTROL - NEW CHAMPAGNE EDITION REMOTEPOINT® NAVIGATOR 2.4 MAKES POWERPOINT PRESENTATIONS SPARKLE.

Camarillo, CA, August 24th, 2006 – Interlink Electronics, Inc., a global leader in the design, development and manufacture of intuitive interface products and technologies, announced today the availability of a new stylized version of its best-selling RemotePoint Navigator 2.4. presentation remote control. Designed to drive Microsoft® PowerPoint and Apple® Keynote® presentations on both PC and Mac computers, the new Champagne Edition Navigator features a warm contemporary metal finish designed for optimal control, impact and credibility in corporate meeting room settings.

Like the award-winning classic RemotePoint Navigator 2.4, the new Champagne Edition offers outstanding feel and ease-of-use with dedicated slide control buttons, an integrated laser pointer, a 50' RF wireless range and simple driver-free USB installation. Both the Champagne Edition and the Classic Navigator 2.4 are available now for immediate delivery through Interlink's distribution channels or directly from the company's online store (www.interlinkstore.com).

"Many people have a great fear of public speaking and presenting," said Jim Reisteter, Vice President of Sales and Marketing, Interlink Electronics, Inc. "Imagine giving a presentation where you are completely confident in the tools you use to communicate. The Champagne Edition of RemotePoint Navigator gives that level of confidence."

RemotePoint Navigator 2.4 Champagne Edition is a USB input device designed for IBM PCs and compatible PCs running Windows XP / 2000 / 98 / and Me, and Mac G3, G4 and G5 platforms running OS 8.x, 9.x and X. Available through selected resellers or direct online starting in August, 2006, RemotePoint Navigator 2.4 Champagne Edition has a manufacturer's suggested list price of \$149. Contact Interlink Electronics at (800) 340-1331, (805) 484-1331 or see RemotePoint Navigator (Champagne Edition) online at www.interlinkelectronics.com.
